

CORI Reform Update

Help Get CORI Reform Passed

Decades of so-called “TOUGH on crime” public policies have dramatically *increased* prison, probation, and parole spending while failing to curb recidivism.

Everyone agrees that CORI REFORM is a “SMART on crime” approach that STOPS THE REVOLVING DOOR OF RECIDIVISM, STRENGTHENS FAMILIES AND CUTS COSTS TO TAXPAYERS.

But the job is not done. We need to get CORI reform passed by the HOUSE!

Please call, email, or write your State Representative in support of passing CORI reform
